New Online Mediation Game on SDRCC Website

Montréal (Québec) - The Sport Dispute Resolution Centre of Canada (SDRCC) is proud to announce the launch of a new online mediation game, in which you can play the role of the mediator in a dispute between an athlete and a federation regarding a disciplinary matter.

In addition to providing useful insight into the process of mediation, the game also highlights in a very humorous fashion the various elements that can turn a mediation process into either an abrupt ending or a successful settlement.

The game can be played in English or in French. Its English version can be found on the SDRCC website at: <http://www.crpsc-sdrcc.ca/eng/sportsmedrevised05.swf>. Experience this new and exciting interactive game, opposing colourful and witty characters. See if you can help them settle their dispute!
