I am a dispute resolution specialist with a background in civil litigation. Before founding Banack Resolutions Inc., I maintained a diverse commercial litigation practice for 30 years at a boutique law firm. As a certified civil litigation specialist, I acted for clients involved in commercial, real estate, construction, estates and professional insurance disputes.

During that time I also developed a robust dispute resolution practice. I am frequently appointed as mediator or arbitrator and I have experience resolving complex, multi-party disputes dealing with diverse issues. Lawyers also retain me in the unique position of settlement counsel to achieve resolutions that elude the adversarial litigators. I am committed to understanding the key issues between the parties and to assist in finding creative and practical solutions to resolve disputes.

I served as an elected Bencher of the Law Society of Upper Canada for 16 years. I am now a Bencher Emeritus and regularly publish Banack's Bencher News to keep the profession informed of matters arising in Convocation. For 7 years, I served as Chair of the Law Foundation of Ontario and for 3 years as Chair of the Law Commission of Ontario.
